Sturgeon Hospital Auxiliary

A ladies auxiliary to the Sturgeon General Hospital was formed at a meeting in the Youville Home on Tuesday night. Mrs. Robert Varner was installed as president of a steering committee charged with getting the organization operating. From left to right are Mrs. Stan McQuitty, telephone committee; Mrs. Frank Campbell, public relations and nominations; Mrs. Art Bleviss, treasurer; Mrs. Peter McBeth, secretary; Mrs. Varner; Mrs. William Webber, vice-president and Mrs. Russell Pollard, social chairman. Mrs. Campbell would like the names of people throughout the district who would like to run for executive positions, particularly some who are French-speaking.

Attend auxiliary meeting

Several advisers were on hand as the Sturgeon General Hospital Ladies Auxiliary was formed Tuesday night. Offering assistance were Gordon Townend, Sturgeon hospital administrator; Mrs. G. J. Burns, president of the auxiliary to the Norwood Auxiliary hospital; Mrs. A. F. Ingall, past president of the Alberta Hospital Auxiliaries Association and a member of the Royal Alexandra Hospital auxiliary; and Bill Flynn, chairman of the Sturgeon General's board.

St. Albert High holds awards day

An Awards Day was held at St. Albert High School on Wednesday, May 21, when executive, club, athletic, public speaking, "Reach for the Top", and academic awards were received by outstanding students.

The executive and club awards are awarded to students who make outstanding contributions to the student groups; these include students' council, Yearbook, Lady of Good Counsel, student librarians, drama club, school chorus, and cheerleaders.

Athletic crests are awarded to students who compete on interschool athletic teams during the year. These included volleyball, basketball, curling and badminton.

The St. Albert High School Proficiency Awards, which are awarded to the student in each grade judged to best combine both academic and extra-curricular achievement, were presented by Neil Ross, member of the Public School District Board to the following students:

Eva Kaminski, Grade 9; Roberta Parsons, Grade 10; Linda Rubuliak, Grade 11; Walter Franel, Grade 12.

Public Speaking Awards included certificates for proficiency medallions to students representing the school in the finals, and a trophy awarded to the outstanding speaker at each level, in this case, Diane Sheehan, Level IV.

Certificates for proficiency in public speaking were awarded by the Alberta Teachers Association Local to Eva Kaminski, Cathy Miller, Diane Sheehan, Leonie Gibeau, Lorna McRae, Roberta Parsons, Elaine Soetaert, and Mary Borle,

Cont'd on Page 3

Tax notices delay costing St. Albert about $208 a day

It is costing the Town of St. Albert about $208 a day for each day that it doesn't get its tax notices out.

And it is conceivable that they may not be mailed out until the end of June or sometime in July.

Secretary-Treasurer D. B. O'Connell told council Monday night that the town was paying $1,600 a month interest on money it had been forced to borrow because it had no tax money coming in.

He said the town was losing about another $5,000 a month it would draw in interest if the tax money was in hand.

Council, getting to the capital estimates late Monday night, didn't finish them and much to the chagrin of Mayor Ray Gibbon and Mr. O'Connell, voted to adjourn without extending the time limit 15 minutes.

Mayor Gibbon immediately announced that he would be calling a special meeting for Wednesday night to clean up the capital estimates so they could go to the town staff for final typing and submission to the Local Authorities Board.

"We have already borrowed money and if we don't get this thing rolling, we may have to borrow some more," he said Tuesday.

"We have a million dollars coming in and as we don't disburse it all at once, we can earn as much as $5,000 a month from debentures."

The mayor said from the time council approved the capital estimates, it would take staff probably a week to type them up for presentation to the LAB.

He said the LAB would probably have them about three weeks and when they were returned to the town, it would take another week to get the tax notices mailed out.

The tax money would mostly be in within 31 days of that time as after that the eight per cent penalty comes into effect.

However, there is no guarantee this time pattern will be followed to the letter. Other snags could develop.

Council gave first reading to its operating budget Monday night and it is now ready for submission to the LAB.

It is expected the capital estimates will be approved tonight.

Financial year change sought by town council

Mayor Ray Gibbon and St. Albert town council want the Alberta legislature to either sit in the fall or to change the financial year for municipalities and school boards.

"When the legislature sits in the spring, everything is held up," the mayor said Tuesday night. "Municipalities and school boards usually don't end up getting their grants until the end of June."

The mayor said that in 1968, the town was forced to borrow money in the first week in January. He said this year the town held off longer but actually there should be no reason for it to borrow at all.

A resolution to change the financial year to July 1-June 30 had been submitted to the AUMA but had been rejected.

Council, however, at a meeting earlier this month passed a motion to resubmit the motion to the AUMA with a supporting brief.

Council feels the move would enable it to allow for the changes in grant structure and legislation that have been approved by the provincial government.

Rev. W.D. Jarvis leaving St. Albert

Rev. W. D. Jarvis, minister of the Presbyterian Church in St. Albert since 1964, will preach his last sermon to his flock here on June 15.

Mr. Jarvis and his family will be leaving St. Albert about June 20 for Exeter, Ont., where Mr. Jarvis has accepted a ministry.

"We enjoyed our work in St. Albert and have mixed feelings about leaving," Mr. Jarvis said Tuesday. "We'll be leaving many friends behind. "We appreciate the co-operation we have received, not only from our own congregation, but from the whole town.

"My wife and I enjoyed working with the young people here. We were actively engaged with scouts and guides so will miss that and the friends we made through them."

Mr. Jarvis, born and raised at Aultsville, Ont., a town later flooded by the St. Lawrence Seaway, came to St. Albert from Merigomish, N.S., where he had been minister for six years.

He was in on the groundwork of the building of the church in this town, holding services in Sir George Simpson Junior High School before it was built.

REV. W. D. JARVIS

Mr. Jarvis, his wife, Jean, and children Jimmy, 12, Marie, 10, Gordon, 8, Stephen, 7, and Joanne, 4, have resided at 55 Gladstone Cres.

The St. Albert Presbyterian Church has sent out a call to Rev. James Murdoch of Swift Current, Sask., as a replacement. It will not be known for another few weeks if he will accept.

Clubhouse planned

Town council voted Monday to include $11,800 in its capital works budget for a moveable clubhouse in the Mission Park Recreation area.

It will serve as a shelter at the Mission rink during winter and provide clubhouse and washroom facilities for the tennis and baseball clubs during summer.

It is not expected that the building will be ready for use this summer but it is expected to be ready for use as a rink shack next winter, replacing the decaying structure that has served the past several years.

Trustee resigns

The St. Albert Public School District has lost the services of Trustee Robert O'Hara.

Mr. O'Hara, an employee of Wardair Canada Ltd., has been transferred to the company's expanding Toronto operation.

Mr. O'Hara would have come up for re-election this fall. He was elected to a three-year term in 1966.

The vacancy created by Mr. O'Hara's resignation will not be filled until the fall election. If he had resigned before May 1, however, the School Act would have required that a special election be held.

Chamber puts mayor in "Hot Seat"

Twenty-two members of the Chamber of Commerce heard a short address by Mayor Ray Gibbon at their regular supper meeting last Wednesday, and then bombarded him with a flood of questions pertaining to town affairs. As might be expected, most of the questions had to do with financial matters and Mayor Gibbon capably fielded them from all directions.

In his prepared talk Mr. Gibbon clarified the powers and duties of councillors and mayors under the Municipal Act and went on to describe current developments in the town. These were outlined under residential building, and commercial developments. The municipal financial position was covered briefly and appears stable with a budgeted surplus for 1969 of $22,000. He concluded his remarks with some suggestions on how the Chamber can assist the town, emphasizing that the Chamber can control the business climate and should use that control for the betterment of the town.

In thanking the guest speaker, Mr. Ernie Coles said that his talk had proven both interesting and informative and he hoped the mayor would be back again.

Before hearing their guest, a short business session was held. The members observed a one-minute silence in respect to the memory of the late Mr. Nick Kalynchuk who had been a member for many years. President Peter Zuidema welcomed several new members present and the minutes and financial report were heard. Ernie Jamison reported on the calf raffle project of the beef animal donated to the Chamber by MLA Keith Everitt at the annual meeting, and tickets were distributed.

Mr. Doug Caston, a visitor to the meeting was introduced and brought greetings from the Edson Chamber.

Air Cadets to hold annual inspection

St. Albert Air Cadet Squadron 533 will hold its annual inspection at 7:30 p.m. Thursday, June 5, at St. Albert High School.

The inspection will be conducted by Maj. A. H. McMillan, Edmonton base transportation officer, and D. Johnson, a member of the Air Cadet League of Canada.

Following the inspection the band will perform a 15-minute display of counter marching and the drill team will display some precision drill.

The airplane building project will be on display during the inspection.

There will also be presentation of awards to outstanding cadets of the 1968-69 training year.

To close the evening, the St. Albert Lions Club, sponsors of the club, will treat the squadron to a barbecue in Lions Park.

The squadron spent the May 24 weekend in Jasper where the band and honor guard took part in the ceremony officially opening the National Park for the 1969 season.

The band also took part in the ceremony last year and Commanding Officer Marcel Bergevin says it has already accepted an invitation to return next year.

The cadets and their officers camped in the park for three days.

RCMP solve series of local break-ins

Three St. Albert youths have pleaded guilty to charges of breaking and entering and theft in connection with a series of local incidents dating back to May 2.

Doug Atkinson, 16, Daniel Hartun, 18, and Ronald Vaugeois, 16, will appear in court in St. Albert on June 5 for sentencing.

Staff Sgt. Ken Williams, head of the St. Albert RCMP detachment, said the youths had faced a total of 11 charges.

They concerned two break-ins at the St. Albert High School, one at Paul Kane High School, one at the Public School Division's office, and another at the St. Albert Garage.

He said in each case various amounts of cash had been taken.

The youths were arrested last week.

Around Town

Mr. and Mrs. A. E. (Tony) Deschenes of 3 Madonna Drive wish to announce the arrival on May 31 of daughter Lise, eight pounds.

Miss Petrina Morris of London England arrived in St. Albert last Wednesday for a visit with her brother Mr. Michael Morris and his family of 16 Sable Cres. Miss Morris plans to spend about eight weeks here.

The executive committee of the Sanctum would like to thank all the people who helped make the bake sale of Friday last a success. Special thanks to the ladies of the Anglican Womens' Group and Mrs. Dave Davies.

We would also like to thank Mrs. Laird from the St. Albert recreational department

A family graduation

After years of study, term papers and exams, graduation has finally arrived for the three sons of Mr. and Mrs. Elie Bergevin of 17 Mount Royal Drive, St. Albert.

All three will be receiving their degrees at the Spring Convocation of the University of Alberta this week. The trio all completed junior and senior high school at St. Emile High School in Legal.

Raymond will be receiving a Bachelor of Engineering degree (Petroleum-Chemical), Lionel a Bachelor of Commerce (Finance and Economics) and Dennis a Bachelor of Science in Agriculture.

Raymond is presently employed as a consulting engineer with a Calgary based firm; Dennis will be working as a statistician with the Dominion Bureau of Statistics in Ottawa; and Lionel, who has not yet secured a position, is holidaying.

Lose 10 lbs. in 10 days on Grapefruit Diet

HOLLYWOOD, CALIF. (Special) — This is the revolutionary grapefruit diet that everyone is suddenly talking about. Literally thousands upon thousands of copies have been passed from hand to hand in factories, plants and offices throughout the U.S. and Canada.

Word of its success has spread like wildfire. Because this is the diet that really works. We have testimonials in our files reporting on the success of this diet. If you follow it exactly, you should lose 10 pounds in 10 days. There will be no weight loss in the first four days. But you will suddenly drop 5 pounds on the 5th day. Thereafter you will lose one pound a day until the 10th day. Then you will lose 1½ pounds every two days until you get down to your proper weight. Best of all, there will be no hunger pangs. Now revised and enlarged, this new diet plan lets you stuff yourself with foods that were formerly "forbidden," such as big steaks trimmed with fat, roast or fried chicken, rich gravies, mayonnaise, lobster swimming in butter, bacon, fatty sausages, and scrambled eggs. You can eat until you are full, until you cannot possibly eat any more. And still lose 10 pounds in the first ten days plus 1½ pounds every two days there after until your weight is down to normal. The secret behind this new "quick weight loss" diet is simple. Fat does not form fat. And the grapefruit juice in this new diet acts as a catalyst (the "triggers") to start the fat burning process. You stuff yourself on the permitted food listed in the diet plan, and still lose unsightly fat and excess body fluids. When the fat and bloat are gone you will cease to lose weight and your weight will remain constant. A copy of this new and startlingly successful diet plan can be obtained by sending $2 to GRAPEFRUIT DIET PUBLISHERS, 1213 Premier Way, Calgary 14, Alberta. Money-back guarantee. If after trying the diet plan you have not lost 7 pounds in the first seven days, and 1½ pounds every two days thereafter, simply return the diet plan and your $2 will be refunded promptly and without argument. Tear out this message as a reminder. Decide now to regain the trim, attractive figure of your youth, while enjoying hearty breakfasts, lunches and dinners. advt.

NICKERSON PTA

Ken Clark was elected president of the Leo Nickerson Parent-Teacher Association as the last general meeting for the current school term was held last Wednesday evening.

Other officers elected were: 1st vice-president, Don Foster; 2nd vice-president, Arnt Peterson; secretary-treasurer, Mrs. Elsie Wienmeyer; public relations Mrs. Vera Parenteau; program convenor, Mrs. Rose McIntosh; social convenor, Mrs. Pam Boe.

Rev. E. Klaszus is the past president and Mr. Lowell Throndson the school representative.

Mr. Dave Thomas, supervisor of guidance services for the St. Albert Protestant Separate School District, discussed the services available and outlined some of the testing procedures he uses.

Varied and interesting programs are presented at each PTA meeting in hopes of helping parents keep better informed about their children's education.

Presented as a public service by

Labatt's ALBERTA BREWERY LIMITED

Helping agencies are joining forces

Guidance counsellors from the two St. Albert school districts and helping agencies within the town have begun a series of meeting with the accent on co-operation.

"The purpose of the meetings are to help the different agencies that work with people in a helping capacity to understand what the others are doing," said Dave Thomas, who is president of the Edmonton Regional Guidance Council and also a supervisor with the St. Albert Protestant Separate School District.

"That way, roles can be co-ordinated and better co-operation result."

The second meeting was held in the conference room of Sir George Simpson Junior High School on May 21 and included representatives of the Sturgeon Health Unit, RCMP, provincial department of welfare, the preventive social service department for the town, the welfare department of the town, the ministerial association, the provincial guidance clinic and the probation branch of the attorney-general's department.

"The members found the meetings worthwhile," Mr. Thomas said, "learning who to contact when problems arose in areas that were outside the jurisdiction of their own agency."

Mr. Thomas said the first meeting was held on March 31 and the tangible outcome was a number of prepared statements of rules of different workers that were presented at the second meeting.

Coming out of the second meeting were:

1. A decision to continue the meetings with the third meeting scheduled for September;

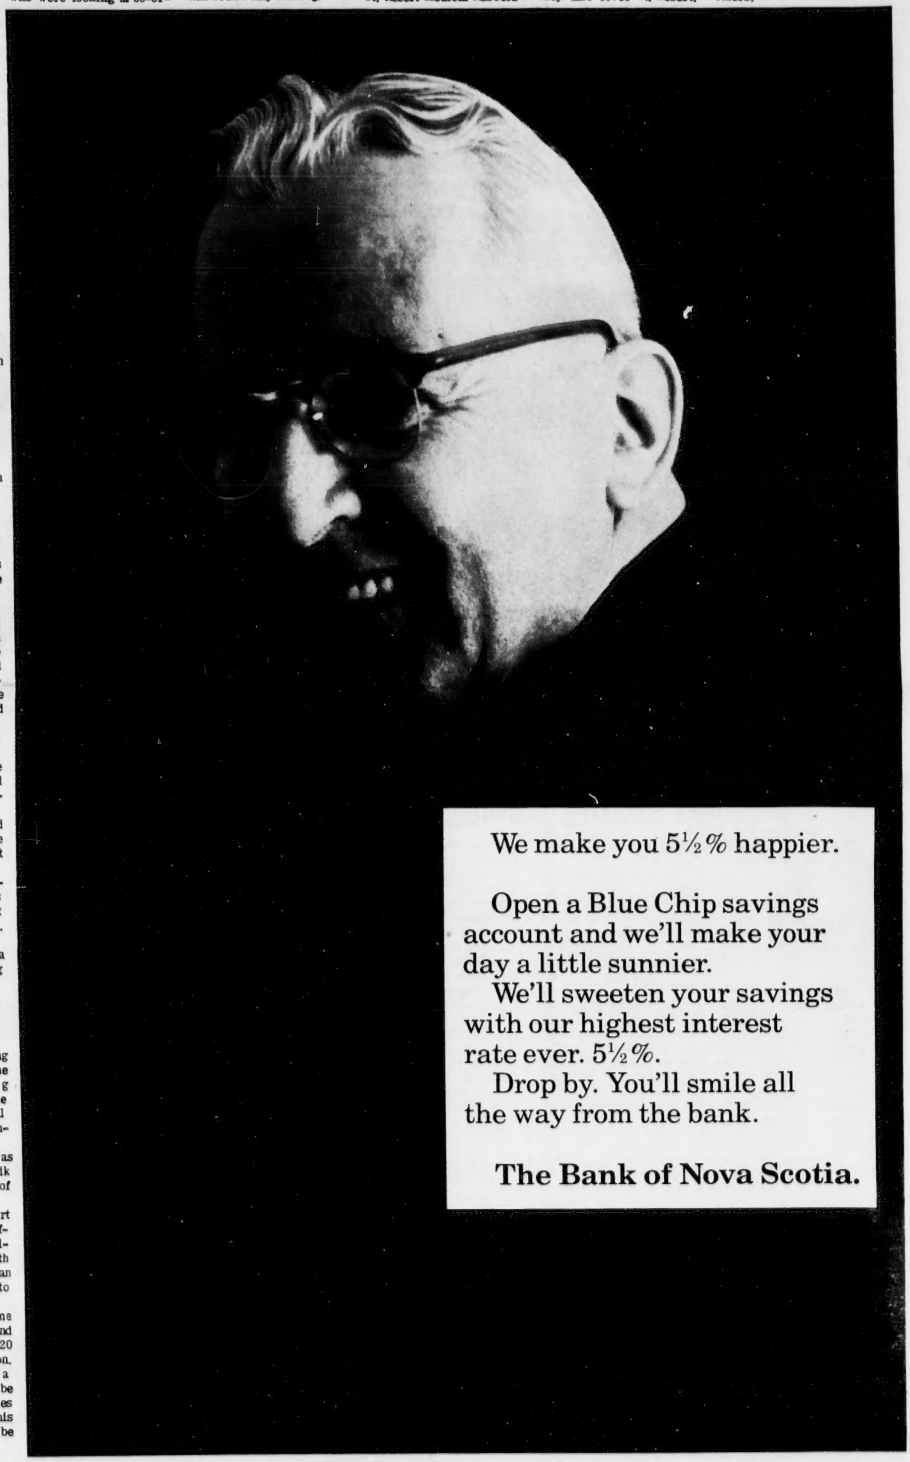
2. A list of agencies and telephone numbers to be placed in the new St. Albert directory;

3. A booklet to be prepared for helping agencies outlining the rules of most helping agencies in St. Albert.

Mr. Thomas said the idea for the St. Albert meeting sprang from a gathering of provincial and city groups who were looking at co-ordination and co-operation, something which previously had been sadly lacking.

Mr. Thomas said the group wanted to bring in the St. Albert Medical Association and the family service people from Edmonton as they also cover St. Albert.

He said the group would probably be approaching others.



Cycling

Fighting against a strong wind, Frank Ludtke of the Edmonton Speed Skating Club rode home ahead of the pack in a 30-mile time trial on Highway 2 North on Sunday afternoon.

Ludtke's winning time was 1.23:37, well ahead of Erik Peters' (Velo Sport) time of 1.29.22.

Tony Raven of Velo Sport was third and Peter McCaffery of the Northern Wheelers Cycling Club was fourth over the course that ran from the Purple Dude to Morinville and back.

Leon Hebert posted a time of 16:32 for four miles and Dale Roy had a time of 18:20 in the schoolboys' section.

Next Sunday at 2 p.m. a 10-mile time trial will be run from the weight scales north of St. Albert. This time the schoolboys will be extended to six miles.

It's up, up and away in a beautiful balloon

Thousands of people in the Edmonton area will be able to watch the ascent of a hot air balloon at Westmount Mall next week. For most of them it will probably be the first time.

Built by five Canadians as a private Centennial Project, the balloon is 60 feet high, 50 feet in diameter and 150 feet in circumference, and has a lifting capacity of one ton. It was the first balloon ever licensed as a lighter-than-air craft by the department of transport.

It is being sponsored by Scotchgard Products and Koratron Company of Canada, and will be seen at the mall along with entertainment by the ETS Pipe Band and the Cosmopolitan Band.

The balloon will be piloted by Stanley Sheldrake, the intrepid "Captain Fearless" who is also one of the builders. With prevailing winds and temperatures expected to be ideal in early June, he is hoping to set a new altitude record here. Flights are scheduled for Wednesday and Friday evenings, June 4th and 6th at 6:30 p.m.

BALLOON ASCENT

Stanley Sheldrake, who flies the 50-foot-diameter hot air balloon has a history of adventurous hobbies dating to the early 1950's.

The 31-year-old insurance salesman won his pilot's wings in 1954. He progressed from riding in the cockpit to leaping out of the airplane, parachute attached, of course. As well as taking part in sky-diving exhibitions himself, he opened a parachuting school in Hamilton, Ontario. After the balloon was built by Stan and four colleagues in 1967, he became Canada's first licensed balloon pilot.

With balloon races rather rare, Stan was forced to travel to California in late 1967 for his first competition. Although finishing out of the money, he managed to reach an altitude of 8,000 feet.

CAPTAIN FEARLESS

Racing with 11 other balloonists from the Indianapolis Speedway the following year, he placed fourth among more experienced pilots.

The balloon was also used at the official opening of the Canadian Aeronautical and Technological Institute in Ottawa July 1, 1968 and at the Canadian National Exhibition the following month.

"Fearless Fashions" promises exciting showings

Close to 50 garments treated with "Scotchgard" Fabric Protector and "Scotchgard" Dual-Action Fabric Protector will be displayed during the 30-minute outdoor "Fearless Fashions" show at Westmount Mall June 3rd and 5th.

Men's and women's all-weather coats, co-ordinates and sportswear, slacks, blazers, golf jackets and rainwear, and children's outfits are among the various styles offered by Canadian manufacturers. Many are Koratron permanent-press treated.

The show opens with the "Mission Impossible" theme. The assignment - to discover the coat without the "Scotchgard" treatment. The skit demonstrates the stain resistance of "Scotchgard" Fabric Protector.

The music swings to an upbeat tempo in the next segment demonstrating the easy-care and practical aspects of travel and sports-oriented clothing. Whether it is "up, up and away in my beautiful balloon" or travel by plane, train or auto, "Scotchgard" and Koratron make styles easily managed.

Go-go dancing follows on the program with the girls wearing co-ordinates in the same colors, patterns and fabrics. Inter-changeable pants, slacks, skirts and jackets are featured.

An interview with "Captain Fearless," is also included in the show.

A cross-section of the fashions will be featured during the finale with 10 female models and four male models taking part.

Big prize on display

A self-insulated portable house made of Polydome will be on display at the Mall. This versatile building can be a garage one month and a lake cottage the next. Or a grain storage shed, warehouse, camp building - you name it.

The basic shell, weighing 140 pounds, consists of two sections 14 feet long. It can be erected in less than two hours by two unskilled workmen and finished size covers about 320 square feet. It has been tested for wind loads in excess of 120 m.p.h. and a 4,000 pound load across the roof.

You can get in on a chance to win this Polydome instant building just one way. Fill out an entry coupon in the Edmonton Journal of June 2nd only.

The model will be on display at the Westmount Mall this weekend and all next week.

Swimming classes will start soon

Two very successful registration days for swimming instruction were held recently with almost all classes completely filled. Several additional beginners' classes had to be scheduled. Those who were disappointed at not being able to register are reminded that sessions of lessons will be held in July and August and registration for these will take place in June.

Royal Life Saving Society Bronze Medallion class will start on Monday, June 2, at 6 p.m. There are still some openings left and anyone 14 or over can register at the Pool at that time. The cost is $4 for 10 lessons. Holders of the Bronze Medallion are reminded that this is an opportunity to renew their qualification by obtaining a Bar to this award.

Several new programs will be starting shortly at the Pool.

A diving course, consisting of 10 lessons, will start on Monday, June 2, and will run from 6 - 7 p.m. each weekday until June 13. The course will cost $4 and registrations will be taken at the first lesson.

Waterpolo, which was introduced at the pool last year, will begin on Thursday, May 29. All boys interested should attend at 6 p.m. An interest in this energetic game and an ability to swim are the requirements.

On Tuesday, June 3, the swim club will get under way. This Club is not an instructional class and anyone wishing to join must be able to swim four lengths of the pool. Try-outs will be held at 6 p.m. on Tuesday next for new members and members from last year's Club can register at that time. This is a club which needs strong support from the parents and a parents' meeting will be called shortly.

Residents will again be able to put their powers of endurance to the test by swimming a mile. The mile swim last year was extremely popular and the first one of this season will be held on Sunday, June 8, at 9 p.m. Registrations are now being taken at the pool and as only a limited number can participate it would be advisable to register early.

Last year only two adults of over 25 years of age even attempted the mile. There's no age limit - upper or lower. All it will cost is admission to the pool. If the mile is finished within a certain time, a crest will be available at a small cost (this, of course, is optional).

As previously announced, there will be changes in the pool schedule from June 2. (See the advertisement in the Gazette issue of May 14) Adult and family swimming sessions will be introduced on that date.

* * * * * * * * * *

With the swimming program progressing so well and the weather co-operating most of the time it is unfortunate to have to report that there have been several instances of articles being mislaid in the dressing-rooms at the pool. Therefore, it is necessary to remind swimmers of all ages that the town is not responsible for any articles left or lost at the swimming pool and - as the notice at the pool reads - "Please leave your valuables at home." If circumstances prevent this, it is always possible to leave watches, wallets, etc. at the desk with a member of the pool staff. But, better still, leave them at home.

TENNIS

The St. Albert Tennis Club held their first novelty tournament of the season last Sunday. Thirty-two members participated and the players with the highest total scores were Beryl Harding and Dave Hansen. Members are reminded that the Wednesday Club night has been divided into two sections: 6 - 7 p.m., juniors and 7 - 9 p.m. seniors and intermediate juniors only. Anyone interested in joining the club should phone the treasurer, Mrs. Betty Ontkean at 599-4644.

Last year the tennis club presented the High School Challenge Cup to be played for by our two local high schools. This competition will be held next Sunday, June 1 at 1:30 between St. Albert High and Paul Kane High Schools with the cup being presented to the winning school at approximately 3:30 p.m. by the president of the club, Mrs. Judy Wood. Spectators are welcome.

The Senior Interclub League will begin during the week of June 1 and the local team will consist of the top three men and ladies on the ladder. Any players wishing to be in the top three should play their challenge games this week.

MEN'S SOCCER

The St. Albert Bruins Men's Soccer Club had an easy win over Olympia on Monday evening at Paul Kane. They won 5-1 and the scorers for St. Albert were Vic Ledsham with two goals and John McDermott, Herman Kochan and Roger Marsh with one. Their next game will be played at Paul Kane against Ritchie Canadians on June 6.

BOYS' SOCCER

The standings in the St. Albert Little Atom League are as follows: 1. Mr. Jackson's team; 2. Mr. Verhagen's and Mr. Larsen's teams; 3. Mr. Gibbs', Mr. Kelly's and Mr. Drysdale's teams; 4. Mr. Van Ens' team and tied for 5 place, the teams of Mr. Holden, Mr. Hunt and Mr. Attenbury. (If this announcement sounds rather formal it is because names for the teams of these gentlemen have yet to be chosen!)

Eric Gibbs, who is manager of the Little Atom League, is anxious to find a few more people to help out with his soccer program. Although a slight knowledge of the game might be helpful, it is not necessary. The coaches are kept extremely busy coaching and a few helping hands would be very acceptable to attend to some of the organizational detail. Phone Eric at 599-6442 and let him know that you have some time to spare and the interests of the boys at heart.

Letter to the editor

LETTER TO PARENTS OF LITTLE LEAGUERS

I think many parents would be disappointed in their children's behaviour at some of the Canadian Little League Baseball games.

Our coaches are not getting all the respect and co-operation they deserve.

After attending about six games, I've made some observations of what the coaches' duties appear to be.

First they choose a line-up. There may be 18 boys giving unasked for and rudely phrased advice. When the boys are in the field the coaches are often keeping score, juggling line-ups, calling batting order, rotating players, trying to keep players back from baselines, stopping sideline wrestling, and scuffling, checking bad language or booing of fellow team mates, trying to encourage sportsmanlike cheering.

Then there are the bicycles! Children are continually riding across the diamond. Even players are often cycling when their turn at bat or field comes up. Bicycles are distracting when raced between spectators and the game!

Anyone who can take all this two or three times a week without losing his temper or sanity deserves all the help we can give him!

Perhaps more parents could occasionally offer to coach base runners, or help keep score, and please! help supervise!

Most of these boys know better but they need to be reminded that they know better!

Do I exaggerate! Perhaps. Come out to a game and see.

MORINVILLE SALES & SERVICE

PH. 256-3114, Box 189, MORINVILLE

Public Notice
M.D. STURGEON NO. 90

TAKE NOTICE that the Council of the Municipal District of Sturgeon No. 90 in the Province of Alberta, has given first reading to money By-law No. 95-69 which will, on final approval and ratification, authorize Council to borrow monies by way of debenture, to pay for the Municipality's share of the cost of the proposed "Northeast Water Supply Line" to serve the County of Strathcona No. 20, Town of Fort Saskatchewan, The Municipal District of Sturgeon No. 90, The County of Thorhild No. 7 and the Town of Redwater, the said line being partly within and partly without its Municipal limits.

The estimated total cost of the aforesaid project amounts to Two Million and Seventy-Eight Thousand ($2,078,000.00) Dollars. This cost is to be borne by the five contributing Municipalities herein on a basis of one-fifth 1/5 each after deducting from this total cost an amount of approximately Twenty (20) per cent or Four Hundred and Three Thousand ($403,000.00) Dollars which amount the Government of the Province of Alberta, through its Department of Public Works has agreed to defer the collection from the said Municipalities for a period of time to be determined by negotiation between the Department and the Municipalities, so as to permit the said Municipalities sufficient time to operate the said water transmission pipeline at a profit; provided that when the said twenty (20) per cent of the cost of construction becomes due and payable by the said Municipalities to the Department of Public Works, it shall be repayable with interest thereon at the then current rate being charged by the Alberta Municipal Finance Corporation from the end of the calendar year in which the said water transmission pipeline first operates at a profit.

The net amount to be borrowed on the credit and security of the Municipal District of Sturgeon No. 90 at large by the issue of debentures is Three-Hundred and Thirty-Five Thousand ($335,000.00) Dollars. The debentures are to be repayable to the bearer in Twenty-Five (25) equal consecutive annual instalments of combined principal and interest, the interest not to exceed a rate of more than eight (8) per centum per annum.

NOTICE THEREFORE is hereby given by the Council of the Municipal District of Sturgeon No. 90 that, unless a poll of the proprietary electors for and against the said debenture borrowing is demanded, as provided for by the terms of the Municipal Government Act, the said Council may pass the said By-law and submit it to the Local Authorities Board for final ratification and certification that a vote of the proprietary electors thereon is not required.

OF WHICH all persons interested are hereby notified and they are required to govern themselves accordingly.

NOTICE TO PROPRIETARY ELECTORS

Proprietary elector means an elector whose name appears on the assessment roll in respect of land liable to assessment and taxation for general Municipal purposes.

Five per cent 5% of the proprietary electors may by petition request a vote on a Money By-Law under the provisions of Sections 311 and 7 of the Municipal Government Act.

1. The petition must be received by the Municipal Secretary within (15) Fifteen days of the last publication of this notice and shall contain on each page an accurate and identical statement of the purpose and objectives of the petition.
2. Each signature to the petition shall be witnessed by an adult person who shall take an Affidavit that to the best of his belief the persons whose signatures he had witnessed are qualified to vote at a general election.
3. There shall be set out opposite each signature on the petition;
   (a) the legal description of the property or other qualifications entitling that person to be a proprietary elector,
   (b) the address of the petitioner,
   (c) the occupation of the petitioner,
4. A corporation or a religious organization, the name of which appears on the last revised assessment roll as the owner, conditional owner or purchaser of land that is not exempt from taxation, may in writing authorize a resident representative to sign a petition on behalf of the corporation or religious organization.
5. The petition shall be filed with the municipal secretary who shall, in accordance with the Act, compute the number of petitioners that have signed the petition and determine the sufficiency thereof.
6. Every petition shall have attached to it a signed statement of a person whose name appears upon the petition, stating that he represents the petitioners and that he is the person to whom the municipality may direct any enquiries with regard to the petition.
7. No name shall be removed from the petition after it has been received by the municipal secretary.
8. The date of the last publication of this Notice is June 4, 1969.

NOTE: If on receipt of a valid and sufficient petition the Council decides not to proceed with the by-law, a vote of the proprietary electors need not be held.

Major Athletic Awards were presented to (from left to right) Barry McGillis, Bernice Parsons, Jan Donais, Judy Bischler and Bogumil Romanko.

Schools preparing for zone track meet

Throughout the North Central Zone of the Alberta Schools Athletic Association, district track meets are winding up and those who have qualified are stepping up their practice schedules in preparation for the Zone Championships on Saturday, May 31.

Each district is eligible to send two competitors in each class for each event. The zone has been divided into seven districts for track and field purposes. The districts are Athabasca County, Strathcona County, Sturgeon (also including Redwater, Thorhild and Vanier School), Westlock (also including St. Mary's, Barrhead and Fort Assiniboine), Parkland County (also including Edson and Hinton) and St. Albert District (also including Camilla, Holy Redeemer College and Concordia College).

The action on Saturday will start at 9:30 a.m., in Centennial Park near Sherwood Park and will continue until 6 p.m. as members of district teams compete for berths on the provincial team.

The top two in each competition will qualify for the finals in Calgary on June 7.

McDonell-Barry wedding

In the Rectory of the Roman Catholic Church, May 2nd, Arla Evelyn, third daughter of Mr. and Mrs. David Barry of St. Albert, RR1 and Gary Gordon, eldest son of Mr. and Mrs. Allan McDonell RR1 of St. Albert were united in marriage in a double ring ceremony. Father Colin Levangie officiating.

After the wedding ceremony Pastor R. O. Olson in the Evangelical Lutheran Church of St. Albert blessed the happy couple in a few well chosen words.

The bride who was given away in marriage by her father looked radiant in a floor length gown of French Chantilly lace and long lily point sleeves. The beautiful bouffance skirt was dramatised by the scalloped hemline and organza roses at the waistline and over the back of the skirt. The rounded neckline and bodice were trimmed with beads. Her bouffant silk illusion veil was held in place by a crystal crown. She carried a bouquet of red roses on a white Bible.

The matron of honor, Mrs. Ruth Fleck, sister of the bride and bridesmaid Miss Rita McDonell, sister of the groom wore identical A-line floor length gowns of mint green chiffon over taffeta. The neckline and train were trimmed with white daisies. They carried cascades of white daisies, matching their headpieces.

The best men were Mr. Dennis Belanger, friend of the groom and Mr. Wayne Barry, brother of the bride.

For her daughter's wedding, Mrs. Barry chose a two piece dress of royal blue fortrel with white accessories complimented by a corsage of pink roses.

For her son's wedding Mrs. McDonell chose a two piece pink suit of les tricot with white accessories and pink roses en corsage.

A banquet was held at the Morinville Centre. The brides table was centred with a beautifully decorated wedding cake flanked by white candles and pink roses.

Master of ceremonies was Mr. Ralph Oulmet. Mr. Ernest Coles proposed the toast to the bride to which the groom ably responded.

Later in the evening a reception was enjoyed by some 500 relatives and friends.

For their honeymoon to Jasper the bride wore a mauve suit with matching hat and white accessories. On their return they will make their home in Edmonton.

Out of town guests were from Vancouver, Calgary, Wetaskiwin, Metiskow, Fort Saskatchewan and Stony Plain.

Fastball league underway

The Sturgeon Fastball League swung into action last week with four of the seven teams seeing action.

Calahoo dumped St. Albert Texaco 7-3 and Stony Plain edged Spruce Grove 10-9 in the opening contests.

St. Albert Drive-In and two Edmonton teams, UAPD and CNR, round out the league.

All games for both St. Albert teams will be played behind the Catholic Church. The league plays Monday and Wednesday of each week.

Both St. Albert teams played exhibition games over the weekend.

St. Albert played host to a team from Josephburg and won by the inflated score of 29-21.

St. Albert Texaco travelled to Calahoo and came home with an 18-12 victory.

The remainder of the first half of the league schedule follows:

ALBERTA MEDICARE STARTS JULY 1

FROM THAT DATE YOU ARE COVERED BY THE ALBERTA HEALTH CARE INSURANCE PLAN

YOUR BENEFITS – BASIC HEALTH SERVICES

which include . . .

- ☆ COMPLETE MEDICAL, SURGICAL AND OBSTETRICAL COVERAGE
- ☆ SPECIFIED ORAL SURGERY PERFORMED BY A DENTAL SURGEON
- ☆ OPTOMETRIC REFRACTIVE EXAMINATIONS
- ☆ PODIATRIC AND OSTEOPATHIC SERVICES
- ☆ CHIROPRACTIC SERVICES

SUBSIDY ASSISTANCE –
PROVIDED BY THE GOVERNMENT OF ALBERTA

Persons may receive subsidy assistance equal to **one half of the premium payable** by him if his taxable income (or the combined taxable income of himself and his spouse) for the preceding year was not more than $500.00.

Subsidies are applicable to one benefit period only. A new application must be made for each benefit period.

APPLICATION:

INDIVIDUAL: Applications for subsidy will be printed on **the first premium notice** sent to residents.

GROUP: Applications for subsidy will be available through Group Leaders.

REGISTRATION:

REGISTRATION IS MANDATORY BY LAW: YOU **MUST** REGISTER BY JULY 1, 1969.

- ☆ Persons presently enrolled in groups with M.S.I. or other carriers will receive registration forms from their Group Leaders.
- ☆ All persons enrolled on an individual basis with the Alberta Health Plan or M.S.I. will receive registration forms by mail.
- ☆ Persons not enrolled in group plans, persons enrolled on an individual basis with other carriers or persons not presently covered by any plan can obtain registration forms at any Alberta Treasury Branch or at any branch of a chartered bank in Alberta.

PREMIUMS:

Single ..... $ 60 per year
Family ..... $120 per year

Persons registered on a group basis will be required to pay monthly. Those registered on an individual basis will pay quarterly. Please **do not** make payment at time of registration. **You will be billed later.**

OTHER SERVICES:

OPTIONAL HEALTH services that are not Basic Health Services under the Plan, such as ambulance, hospital benefits not included under the Alberta Hospitalization Benefits Plan, drugs, prosthetic appliances, Physiotherapy and naturopathic services are available under the Alberta Blue Cross Plan and may be available from private insurance companies.

YOU MUST REGISTER WITH THE ALBERTA HEALTH CARE INSURANCE COMMISSION

A DETAILED BROCHURE WILL BE MAILED TO YOU SHORTLY — READ IT!
